2. Received information from Mr. Boyd Crawford, House Foreign Affairs Committee, that [REDACTED] about whom he had previously inquired, had never in fact been near Agency buildings. This matter is now dead. Mr. Crawford also indicated that no action is scheduled by the Committee on the various bills relating to a proposed National Peace Agency.

3. Talked with Mr. Sheldon about the briefing of Senator Jackson's Subcommittee on National Policy Machinery, now scheduled for 17 February. OGI is preparing the Director's statement for this session and expects to have it ready Friday night so that it might be discussed with the Director on Saturday morning. Mr. Sheldon is mindful of the Subcommittee's request for the release of at least a portion of the Director's statement but has some doubt as to what might be done on this.

4. At the request of Mr. Kenneth Belieu, his appointment with the Director was changed to 9:00 on Thursday, 11 February.

5. [REDACTED] of the CI Staff called in connection with an [REDACTED] which referred to a Secret document which is alleged to have been submitted to the Senate Foreign Relations Committee. This document is identified by the code name "13" and supposedly deals with matters in Africa. CI Staff would very much like to obtain a copy of this document or information about it. [REDACTED] for whatever assistance we may be able to provide.
